/s/Von Mai

Vice President
JPMorgan Chase Bank, N.A.

"This is an open-end home equity line of credit with interest calculated, in arrears, on a simple interest rate basis. This means that the principal balance, the interest rate and the finance charge may vary from day to day. For the reason, it is not possible to determine the interest rate and minimum payment amount on a prospective basis. The figures reflected in this payment change notice are based on the terms of the loan."
